

Five Budget-Friendly Spring Flights with Scenic Views

Paris, 4th of April 2023 - Spring is the season of renewal and with it comes soft temperatures, blooming landscapes and longer daylight which all make flying a truly delightful experience.

To welcome this new season full of promise and new projects, Wingly has handpicked five scenic flights with budget-friendly rates so that everyone can enjoy the wonders of Spring. Wingly's five highly recommended private flights include a sightseeing tour over Lake District, a picturesque trip over the Isle of Wight, a bird's eye view of the Jurassic Coast, a helicopter tour over Cardiff Bay, and last but not least, a flight over the stunning sights of Cornwall.

Wingly, Europe's leading flight sharing platform, currently offers 2,000 available flights from 450 different airfields. Passengers therefore have the flexibility to choose their preferred flight and takeoff in a private plane.

1. Lake District From the Skies

The flight departs from Blackpool and heads north over the famous seaside city with the most splendid views of the Fylde coast and Morecambe Bay. Together with the pilot, passengers can fly down the length of lake Windermere to enjoy the landscapes of Scafell Pike and Conistون Old Man. They will then return via Conistون Water, Grange-over-Sands, and Arnside and Silverdale AONB. The private flight lasts 1 hour and 15 mins, can accommodate 3 passengers and costs £103 per person. 3. Panoramic Flight Over the South Coast

A scenic flight over the ancient rock formations of the Jurassic Coast. Once the plane departs from Bournemouth Airport, passengers quickly find themselves admiring the views over Poole Harbour, Studland bay, Swanage and Weymouth. The tour then continues along the coastline of Bournemouth and finally unravels the unique Isle of Wight needles. The flight duration is 1 hour and 15 mins, and has 2 available seats for £149 each. 4. Merlen Mawr (Big Pony) Tour in a Helicopter

This flight departs from Cardiff Heliport and routes over the most famous landmarks Cardiff Bay has to offer. From there, the tour follows the river Taff to Cardiff's city centre. The helicopter continues over Caerphilly Mountain and flies over 732-year-old Caerphilly Castle which is the largest castle in Wales and the second largest in Britain. Total flying time is 20 minutes and can accommodate 3 passengers for £135 per person. Click [here](#) to see this flight.

5. The Stunning Sights of Cornwall

This tour departs from Newquay Airport before heading down the Western coast towards the popular destination of St Ives. From there, the plane heads south towards the spectacular St Michaels Mount. Passengers will be spoiled with unique coastlines, rugged cliffs, sandy beaches, rural villages and towns during this 50 minute flight. There are 3 seats available for £90 per passenger.
